

Pinson Padlocks

Pinson British made padlocks are designed for use in control of production lines for maintenance, switch gear system, cabinets and low security areas.

The range is available as Warded and Pin Tumbler padlocks.

The Padlocks may be engraved or tagged and are supplied as standard with one key which can be keyed to differ or to a master keyed suite. The padlocks are manufactured from extruded brass with a zinc plated steel shackle.

The range is available with 32mm and 40mm bodies with shackle sizes from 20mm to 75mm.

The Pin Tumbler system has additional benefits of offering more differs, mastering, a profile key and also Key Retaining, so that the key can only be removed when in the locked position.
